3 **SECTION 1. CONGRESSIONAL CONSENT.**

4 The Congress consents to the Mutual Aid Agreement

6 city of Bristol, Tennessee. The agreement reads as follows:

7 “THIS MUTUAL AID AGREEMENT, made and
8 entered into by and between the CITY OF BRISTOL
9 VIRGINIA, a municipality incorporated under the laws of
10 the Commonwealth of Virginia (hereinafter ‘Bristol Vir-

1 ginia’); and the CITY OF BRISTOL TENNESSEE, a
 2 municipality incorporated under the laws of the State of
 3 Tennessee (hereinafter ‘Bristol Tennessee’).

4 “WITNESSETH:

5 “WHEREAS, Section 15.1–131 of the Code of Vir-
 6 ginia and Sections 6–54–307 and 12–9–101 et seq. of the
 7 Tennessee Code Annotated authorize Bristol Virginia and
 8 Bristol Tennessee to enter into an agreement providing
 9 for mutual law enforcement assistance;

10 “WHEREAS, the two cities desire to avail themselves
 11 of the authority conferred by these respective laws;

12 “WHEREAS, it is the intention of the two cities to
 13 enter into mutual assistance commitments with a pre-de-
 14 termined plan by which each city might render aid to the
 15 other in case of need, or in case of an emergency which
 16 demands law enforcement services to a degree beyond the
 17 existing capabilities of either city; and,

18 “WHEREAS, it is in the public interest of each city
 19 to enter into an agreement for mutual assistance in law
 20 enforcement to assure adequate protection for each city.

21 “NOW, THEREFORE, for and in consideration of
 22 the mutual promises and the benefits to be derived there-
 23 from, the City of Bristol Virginia and the City of Bristol
 24 Tennessee agree as follows:

1 “1. Each city will respond to calls for law en-
2 forcement assistance by the other city only upon re-
3 quest for such assistance made by the senior law en-
4 forcement officer on duty for the requesting city, or
5 his designee, in accordance with the terms of this
6 Agreement. All requests for law enforcement assist-
7 ance shall be directed to the senior law enforcement
8 officer on duty for the city from which aid is re-
9 quested.

10 “2. Upon request for law enforcement assist-
11 ance as provided in Paragraph 1, the senior law en-
12 forcement officer on duty in the responding city will
13 authorize a response as follows:

14 “a. The responding city will attempt to
15 provide at least the following personnel and
16 equipment in response to the request:

17 “(1) A minimum response of one vehi-
18 cle and one person.

19 “(2) A maximum response of fifty
20 percent (50%) of available personnel and
21 resources.

22 “b. The response will be determined by the
23 severity of the circumstances in the requesting
24 city which prompted such request as determined
25 by the senior law enforcement officer on duty in

1 the responding city after discussion with the
2 senior law enforcement officer on duty in the
3 requesting city. Any decision reached by such
4 senior officer of the responding city as to such
5 response shall be final.

6 “c. If an emergency exists in the respond-
7 ing city at the time the request is made, or if
8 such an emergency occurs during the course of
9 responding to a request under this Agreement,
10 and if the senior law enforcement officer on
11 duty in the responding city reasonably deter-
12 mines, after a consideration of the severity of
13 the emergency in his jurisdiction, that the re-
14 sponding city cannot comply with the minimal
15 requirements under this Agreement without en-
16 dangering life or incurring significant property
17 damage in his city, or both, he may choose to
18 use all equipment and personnel in his own ju-
19 risdiction. In such event, such officer of the re-
20 sponding city shall immediately attempt to in-
21 form the senior law enforcement officer on duty
22 in the requesting city of his decision.

23 “3. The city which requests mutual aid under
24 this Agreement shall not be deemed liable or respon-
25 sible for the equipment and other personal property

1 of personnel of the responding city which might be
2 lost, stolen or damaged during the course of re-
3 sponding under the terms of this Agreement.

4 “4. The city responding to a request for mutual
5 aid under this Agreement assumes all liabilities and
6 responsibility as between the two cities for damage
7 to its own equipment and other personal property.
8 The responding city also assumes all liability and re-
9 sponsibility, as between the two cities, for any dam-
10 age caused by its own equipment and/or the neg-
11 ligence of its personnel occurring outside the juris-
12 diction of the requesting city while en route thereto
13 pursuant to a request for assistance under this
14 Agreement, or while returning therefrom.

15 “5. The city responding under this Agreement
16 assumes no responsibility or liability for damage to
17 property or injury to any person that may occur due
18 to actions taken in responding under this Agree-
19 ment; all such liability and responsibility shall rest
20 solely with the city requesting such aid and within
21 which boundaries the property exists or the incident
22 occurs, and the requesting party hereby assumes all
23 of such liability and responsibility.

24 “6. Each city hereby waives any and all claims
25 against the other city which may arise out of their

1 activities in the other city's jurisdiction under this
2 Agreement. To the extent permitted by law, the city
3 requesting assistance under this Agreement shall in-
4 demnify and hold harmless the responding city (and
5 its officers, agents and employees) from any and all
6 claims by third parties for property damage or per-
7 sonal injury which may arise out of the activities of
8 the responding city within the jurisdiction of the re-
9 questing city under this Agreement.

10 "7. The city responding to a request for assist-
11 ance under this Agreement assumes no responsibility
12 or liability for damage to property or injury to any
13 person that may occur within the jurisdiction of the
14 requesting city due to actions taken in responding
15 under this Agreement. In accordance with Section
16 15.1-131 of the Code of Virginia and Section 29-
17 20-107(f) of the Tennessee Code Annotated, all per-
18 sonnel of the responding city shall, during such time
19 as they providing assistance in the requesting city
20 under this Agreement, be deemed to be employees of
21 the requesting city for tort liability purposes.

22 "8. No compensation will be due or paid by ei-
23 ther city for mutual aid law enforcement assistance
24 rendered under this Agreement.

1 “9. Except as provided in Paragraph 7 of this
2 Agreement, neither city will make any claim for
3 compensation against the other city for any loss,
4 damage or personal injury which may occur as a re-
5 sult of law enforcement assistance rendered under
6 this Agreement, and all such rights or claims are
7 hereby expressly waived.

8 “10. When law enforcement assistance is ren-
9 dered under this Agreement, the senior law enforce-
10 ment officer on duty in the requesting city shall in
11 all instances be in command as to strategy, tactics
12 and overall direction of the operations. All orders or
13 directions regarding the operations of the responding
14 party shall be relayed to the senior law enforcement
15 officer in command of the responding city.

16 “11. Either city may terminate this Agreement
17 upon sixty (60) days’ written notice to the other
18 city.

19 “12. This Agreement shall take effect upon its
20 execution by the Mayor and Chief of Police for each

7 as impairing or in any manner affecting any right or juris-
8 diction of the United States in and over the region which
9 forms the subject of the agreement.

10 **SEC. 3. CONSTRUCTION AND SEVERABILITY.**

11 It is intended that the provisions of this agreement
12 shall be reasonably and liberally construed to effectuate
13 the purposes thereof. If any part or application of this
14 agreement, or legislation enabling the agreement, is held
15 invalid, the remainder of the agreement or its application
16 to other situations or persons shall not be affected.
